

August, 2019

Dear Kiwi Member,

We, the co-chairs, of the 2020 “The Sky’s The Limit” Las Vegas Kiwi Convention are excited about the upcoming convention and can’t wait to see all of you at Bally’s Las Vegas, April 28-30, 2020.

To initiate the start of Convention, Opportunity Tickets are now for sale. This is the only Convention fundraiser, which all the proceeds go directly toward Convention expenses. With the generous donation from American Airlines there are three opportunity prizes.

1st Prize: 200,000 American AAdvantage mileage award certificate

2nd Prize: 100,000 American AAdvantage mileage award certificate

3rd Prize: 50,000 American AAdvantage mileage certificate

AAdvantage miles will be deposited into the winners AAdvantage account and can be used for travel on American, any of its’ AAdvantage partner airlines, hotels and or car rentals. Go onto AA.com to see all of the endless possibilities. The miles will not expire once they are deposited into the winners AAdvantage account. If the winner doesn’t have an AAdvantage account, it’s very simple to create one at AA.com.

The donation is \$10.00 per ticket and you do not have to be present to win. Anyone can participate in the drawing including Kiwis and American Airline employees.

It is recommended that each member be offered 6 tickets to sell. Remember this is the Convention’s only fundraiser and all proceeds go directly toward Convention costs. Your help is greatly appreciated. The more tickets you purchase the more chances you have to win!

All checks should be made payable to: The Kiwi Club

Mail checks and ticket stubs to: Stephanie Butler

2640 Cessna Circle

Poplar Grove, IL, 61065

It is imperative that we have a pretty clear picture of our financial position by the end of January 2020, so I urge you to start selling or buying the tickets when you receive them. The winners will be announced at the opening luncheon of the Convention and sales will continue up until that time. With your help we will be able to provide another memorable Kiwi Convention.

Thank you and we look forward to seeing you in Las Vegas, April, 2020. Remember: “The Sky’s the Limit”!!
